Correspondence

Officer list and club roster were sent to AKC as requested by the AKC.

A letter was received from the Nike Base that our building will be closed and under construction for 3-4 months this summer. Our storage closet must be cleaned out by June 1. We will clean out the closet at our April meeting. Other buildings in the complex will be available to hold our September and October meetings or we will hold them elsewhere. We will advise where our June end of fiscal year party will be held. Stay tuned and watch for updates.

A thank-you note was received from the Concord Library that had a big turnout for our presentation. Two emails were received for club interest.

We are still awaiting the final proof reading with Seneca for the premium list and program before going to print.
