Annual End of Year Party

Pizza and Wings will be provided. Attendees are encouraged to bring their favorite dessert!

Hi everyone.

I hope you all are enjoying the beautiful weather we are having. I would like to take this time to say a big Thank You to all of you that always come out and help put on a wonderful Specialty. I'm always amazed and blessed what our little club can do. Cathy those trophies were very show stopping. Dennis, Mike, Dan, Steve, thank you for all the heavy work of getting the mats laid down, bringing in the equipment, and everything else us girls ask you to do. Bobbie and Dan, thank you for being ring stewards for our judges and exhibitors. You both kept the ring running smoothly. Cindy, thank you for all you do for those beautiful baskets. It seems each year they get better and better. There were others there also: Ron & Pat, Heidi, Bryan, and Tony - thank you all for helping too. Again, Thank you so much for another Wonderful Specialty 2018.

Sincerely,

Tina M Joynson
