October Meeting Minutes

10/15/2019

Members present: Dennis and Cathy Brundage, Mike and Bobbie Cap, Tina Joynson, Cindy Schumacher

Meeting opened at 7:10pm

The meeting minutes from September were approved as read.

Correspondence

A thank-you card was received from Joyce, one of the 2019 Specialty Show judges.

Show Committee

Planning is on-going and in progress for the May 2020 Specialty Show.

Race Committee

Paws of Thunder is coming up on 11/9/19. Steve and Dennis will do another walkthrough to check trail conditions just prior to the event. Volunteers are asked to arrive around 8am. Drivers meeting will be at 9:30 and first heat will begin at 10am. Once again, lunch will be served at \$5 for all you can eat. Hotdogs, soups, drinks and desserts will be provided. Members are asked to bring a dessert.

Jingle Falls USA is scheduled for December 14, 2019.

Clarence Winterfest is slated for January 26, 2020

Alden Winterfest is tentatively scheduled for February 1, 2020.

The Niagara Falls State Park asked for us again for a meet and greet for February 22nd, 2020 from 11am-2pm.

These times and dates will be confirmed at a later meeting.

Old Business

Bobbie is going to look into pricing for club logo sweatshirts.

Cathy and Dennis will provide an educational presentation during Iditarod Week at the Clarence Elementary School for the 3rd grade classes on March 6, 2020.

Bobbie will be providing an educational presentation at the Niagara Falls Library in January.

New Business

A new suggestion for a meeting guest speaker for a future meeting is the canine police and border patrol. It was decided that any presenters will speak first at 7pm and the club meeting will occur after the presentation.

Brag and Kudos

Both Dennis and Cathy and Dan and Heidi had a successful trip to mushing boot camp. A lot was learned along with a few good stories!

The meeting was closed at 8:20pm

Jingle Falls

The club will once again be participating in Jingle Falls. This year we will be doing one day, Saturday December 14th from noon to 4:00 pm. We will be on Old Falls Street again, though this year we may have some company. They have grouped us under 'Animal Encounters' featuring us, the Aquarium of Niagara and a petting zoo.

Grand Island Footprint Festival

The Footprint Festival at Beaver Island State Park on Grand Island has requested the club participate once again. This year's festival is on February 1st, 2020. Last year, they put in a nice trail for us to do sledding demonstrations on and it was well attended so we were kept busy during our time there.
