October Meeting Minutes

10/19/2021

Present: Bobbie Cap, Dennis Brundage and Cathy Brundage

7:14 pm meeting was called to order by

Correspondence

Bobbie received a letter from AKC in regards to COVID-19 provisions for shows. Some of the protocols have been made permanent while others have been extended and others dropped.

The AKC Humane Fund sent a request for donations. We respectfully declined at this time.

Show Committee

What are the dates and timelines for the show? Where do we find judges? Bobbie will contact some possible Chairpeople. Suggestions to contact are Joe Walawander, Jeanne Stiner or BJ Swansferger.

We need to also check with Dan to see what all has already been decided and what still needs to be determined.

Race Committee

Paws of Thunder is coming along. Dennis and Steve walked the trails. The campground has done lots of work and improvements.

A second walk through is set for November 6th to fix the bridge and put up posts for fencing.

Cathy will order trophies.

Volunteers are needed for trails and dog yard.

Food will be box lunches consisting of a sandwich, chips, cookies and a water. Cathy will purchase the chips and cookies and sandwiches will be made. Coffee, tea and hot chocolate will be available. Bobbie will bring condiments.

Drivers meeting will be at 9:45 am and the race will start at 10 am and will follow the format of previous years.

Old Business

Bobbie spoke with Chris Fiels of “Your Every Day K9” about doing a presentation at a meeting. After a brief discussion we felt that the January meeting would be best. Chris has asked that we come up with some questions ahead of time to customize his presentation.

The Boston Senior Citizens Center presentation has been cancelled.

New Business

Cathy brought up that we need to have a social media person. Someone to keep it all up to date across the various medias. She wondered if maybe Yanna Ray would be interested or available.

Bobbie requested help with going through some of the totes and files she

has accumulated at her house. We decided to hold the November meeting at her house so we could take care of this issue. Bobbie also mentioned that she has more than one box of cookbooks and what should we do with those?

Bobbie has been contacted by Niagara Falls about doing a meet and greet at Jingle Falls one weekend. Available weekends would be 11/27, 12/4 and 12/11. Times would be 12-5 pm.

The Christmas Party was set for December 14th . Still need to decide where we want to go. Bobbie asked what we thought of the Tavern at Windsor Park.
