Correspondence

The insurance certificate from Farm and Family Insurance was received.

A thank you note was received from Touch-Me-Not Siberians for our donation to the all Siberian team for the 2018 Iditarod.

An email was received from the Town of Irondequoit, NY (near Rochester) requesting participation in their Winterfest on January 27, 2018. The email was forwarded to Seneca.

Bark in the Park on Grand Island is this Saturday September 23, 2017, from 9am to 1:30pm for a meet and greet only (due to the expected heat and lack of trails). The event will attempt to secure a shady area. We will canvas vendors for potential speakers/presentations for meetings this year.

The local SPCA will be sheltering dogs from the Texas floods. They will advise on what their immediate needs are (fosters, transportation, donations, etc.)

The Niagara Falls Winterfest during the month of December, requested our participation for a meet and greet and sled demo. December 9th was agreed upon by the members present to participate from 10am to 4pm. A trail will be available in the park area.

Show Committee

Race Committee

It was discussed to possibly move the date for Paws of Thunder to November 4, 2017, as Veteran's Day falls on the usual date of the second Saturday in November. We will check with the Hartland Camp Grounds to see if the date is available.

Old Business

We are still looking into ordering club winter hats and t-shirts.

New Business

Any suggestions for guest speakers or presenters at upcoming meeting nights are welcomed.

Brag and Kudos

Cindy Schumacher adopted a rescue Siberian in July. Ceaser is a loveable 6 year old black and white.

Malina, a new Siberian puppy born on July 7, 2017, visited the club tonight. Parents of the puppy are (mom) Mika, owned by Wendy and Mike Prosser and (dad) Molson, owned by Tina Joynson.

The meeting was closed at 7:50 pm.
