### **Old Business**

Club meetings will be held at the Nike Senior Center building in September, October and November as the Community Center building continues to undergo renovation.

Mike will check with Chris from the Behavior Training Center on Grand Island, for a presentation and/or demo at a future meeting.

### **New Business**

An idea for another presentation for a future meeting is for Corina Stammworthy, owner of the Laundromutt, a biologist and Master grad in Biotechnology, to speak on vaccinations.

Another idea was presented to use the Grand Island Visitors Center for a meeting place if still needed after December.

The Niagara Falls Public Library requested a club dog demo on a Tuesday after school in January. Bobbie volunteered to do it.

A suggestion was made to charge a standard donation of \$75 for library presentations.
