Show Committee

We still need a Show Chair and a Show Secretary.

It was reiterated that communication is important to the success of the show and that we need make sure to keep the lines open. Especially between the two clubs and the show superintendent.

Bobbie posed the question of whether Seneca Club should reimburse Niagara for the extra expense incurred for the afternoon judge. A lengthy group discussion followed. Sue stated that the Niagara Club should send a formal communication to the Seneca Club stating that better communication was

needed going forward so that the same mistakes aren't repeated. The majority agreed to this course of action.

Race Committee

The camp ground owners were interested last year in hosting the race. Dennis will check with them to see if they are still interested this year on November 13 2021. He will also coordinate trail clean up. Bobbie wanted to know what everyone thought about food. Should we have food? Hot food? Boxed lunches? Tina said that at the show's she has been attending they have been having hot food buffets for judges and committee and exhibitors. More discussion will be at the October meeting.

Old Business

As the acting secretary, Cathy cast one vote for the slate of officers for 2021-2022. Slate is:
