September 2022 Meeting

Minutes

09/20/2022

President Bobbie Cap called the meeting to order at 7:19 pm

Present: Bobbie Cap, Dennis and Cathy Brundage

Minutes for the April meeting were approved as submitted.

Correspondence

We have received several people looking dogs and dogs looking for homes. Dennis has directed them to various sources.

Show Committee

Bobbie has agreed to be the show chair for a second year.

She has begun her search for judges.

Cathy announced she would not be at the show but would have trophies ready to go. Someone would need to see to the disbursement of the trophies. A raffle basket chair will be needed also.

No exploration of a new show site was done. Still waiting to hear from the ice rink to see if they will honor the old contract.

Race Committee

Paws of Thunder is scheduled for Saturday, November 12, 2022.

Dennis will contact the campground to verify their hosting the race.

An initial check of the trails will be made in mid-October.

A decision on food will need to be made at the October meeting.

Old Business

Dues are due. Cathy will contact members that haven't paid their 2022-2023 dues.

New Business

Meetings at the NIKE Base are \$30 per use up to 5 uses, then the fee is \$150 for the year. With attendance so low paying for the NIKE base is not the best use of our money. We discussed rotating to member's homes or doing ZOOM meetings.

It was decided to hold the October meeting at Bobbie's house. And since she has a dvd player we could watch the movie "Why do they run?" about the dogs of the Iditarod. Anyone attending is asked to bring snacks or dessert.

Cathy showed everyone the table runner sent to the club from AKC to be displayed at club events.

The town of Alden has contacted the club about participating in their winter festival on January 27, 2023. More details are needed before a decision can be made.

The Harris Hill Elementary School has invited us to highlight their winter festival. Date is to be determined once we know our racing schedule. They will plan the event around us.

Bobbie and Tina will schedule the presentation at the Boston Senior Center.

Meeting was adjourned at 8:21 pm.
